Expression of Interest.

13 October 2026

Operation and Management of General Waste Landfill Site SBPM-JM-0303

This document serves as an **expression of interest** for the above-mentioned tender. **(SBPM-JM-0303)**

Kindly note that the invitation is only extended to companies that meet the following criteria:

No. Qualifying Criterion Required Evidence

1. **Relevant Experience:** Company must demonstrate experience in landfill maintenance, waste management, or comparable environmental maintenance services. Evidence must include appointment letters, contracts, completion certificates, or verifiable reference letters from previous clients.
3. **Plant and Equipment:** Company must demonstrate ownership of, or access to, suitable plant and equipment required to execute the contract. Supporting evidence must include an equipment schedule and relevant proof of ownership, leasing, or other acceptable access arrangements.
4. **Personnel and Staffing:** Company must submit a proposed project organogram, staffing schedule, and CVs of key personnel, together with relevant qualifications and competency certificates where required.
5. **Environmental Management:** Company must demonstrate an understanding of applicable environmental legislation, landfill licence conditions, and site-specific environmental management requirements relevant to the services.
6. **Health and Safety:** Company must demonstrate the ability to comply with applicable occupational health and safety legislation and the health and safety requirements of the landfill site.
7. **Financial Capacity:** Company must demonstrate sufficient financial capacity and access to working capital to sustain the required operations for the contract period, e.g. Annual Financial statement

Please provide all relevant documentation to support the requirements.
