Expression of interest to local community

Electro Hydro World is inviting local companies to express interest in a stake of the grouting operations at 4S decline shaft.

Electro Hydro World is looking for a local company to partner with and transfer a 30% share of the grout plant contract. This would be done by a mentoring and training program to enable the said local company to participate with Electro Hydro World in the grouting operations. **Requirements**

- A company registered in accordance with the Company laws of the Republic of South Africa
- A company complying with all the regulatory requirements of the country
- Local company as specified by the Siyanda Procurement Policies
- BEE Compliant
- Management should have a good understanding of underground working conditions
- Proven Track Record with a minimum of 5 years' experience in underground support systems
- Subject to concluding a teaming agreement
- The agreement will only be for the duration of the Project.
- The relationship of the Parties hereto shall be that of independent consultants
- The local company will dedicate the necessary resources and make available any particular resources identified to meet the Project requirements.
